Dear Sir or Madam

## RE: BRETFORTON CONSERVATION AREA

As part of our statutory duties as a Local Planning Authority we are reviewing the Bretforton Conservation Area.

The Bretforton Conservation Area was designated in 1969, and the review is considering whether the boundary as drawn then is still appropriate. To accompany the boundary review, a Conservation Area Character Appraisal and Management Plan has been drafted to explain the special interest of the area and to safeguard its future preservation and enhancement.

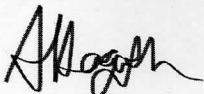

The proposed changes to the conservation area boundary and the draft Character Appraisal and Management Plan can be viewed online at [www.wychavon.gov.uk/conservationareas](http://www.wychavon.gov.uk/conservationareas). Paper copies of the appraisal and proposed boundary changes can be viewed at The Civic Centre, Pershore as well as Evesham and Broadway libraries, during normal opening hours from **Monday 10<sup>th</sup> December 2018** until **Friday 25<sup>th</sup> January 2019**. There will be a public meeting, including a presentation of the review with opportunity to ask questions at The Fleece Inn, Bretforton on 13<sup>th</sup> December starting at 6.00pm to which you are invited

If you would like to comment on the boundary changes, or any other aspect of the review, please return the online comments form at [www.wychavon.gov.uk/conservationareas](http://www.wychavon.gov.uk/conservationareas), email [heritage1@wychavon.gov.uk](mailto:heritage1@wychavon.gov.uk), or write to Alannah Hogarth at Heritage Services, Planning and Infrastructure, Civic Centre, Pershore, Worcs. WR10 1PT **by 25<sup>th</sup> January**. All comments received will be taken into account and reported to the Council's Planning Committee when it considers the review of the conservation area.

Further information on conservation areas and what it means to live in one is available on our website and at the Civic Centre.

I look forward to hearing from you.

Yours faithfully

Alannah Hogarth
